

2012 Alert 2 – New Guidance Manual Posted
Thursday 4/26/12

Do not respond to this email.

Good news! A revised Guidance Manual (GM) has finally been posted for your use. You will notice that the formatting appears to be a little different. Our new Policy Specialist, Lori Simon, has given it a more consistent look and a single voice. We have of course updated the information wherever it was needed.

The GM is being posted in time for you to review before we start conducting the Spring Regional Meetings. There will be time to discuss any questions or comments you may have regarding the GM at the meetings. We also welcome any comments coming in on e-mail about items of concern that you might come across in the manual. Now that the GM has been reposted, it is our plan to start working on it again right away to address any new problems we may notice or that you bring to our attention. **If you have any questions, concerns or comments please contact Lori Simon at SimonL6@michigan.gov. Please send your comments only by e-mail for the GM because that makes it much easier to work with for this purpose.**
